ON DEDICATED EMAILS WITH MARKETING PARTNERS

"First I have to tell you that we are very happy with our HTML blasts—so far they have been a great success! Thank you for all your help!"

—**Shree R. Starkman, managerial associate, IMG Artists**

"Our phone has been ringing off the hook and you would not believe the number of emails that I have received. The dedicated email is the best marketing piece ever."

—**Patti Golden, director of catering, United Nations Dining Room**

ON THE BIZBASH M&C MEETING AND EVENT STYLE SHOW

"I wanted to congratulate BizBash on a job well done. In my 20+ years of business, this has been the most successful event that we have ever done. I hesitate to use the word *show* because it is so much more than that. We interacted with potential clients from both the New York and national markets. Two companies alone that stopped by our booth will pay for the entire cost of this year's event. We look forward to our participation with BizBash next year."

—**Steve Paster, president, Alpine Creative Group**

"I must tell you how much I enjoyed the BizBash Meeting and Event Style Show. Wow, has this show grown! I didn't bring enough business cards for all the additional exhibits! There were so many great vendors and the atmosphere at the show was very warm and caring. I also want to thank you for the invitation to the Tastemakers Luncheon. What a treat—the atmosphere, the sponsor, the food, the entertainment and the panel discussions—all together, a great program!"

—**Mina Malin, event planner, Con Edison**

"Thanks for the info, and thanks again for BizBash—the staff had a great time, made some excellent contacts, and got some great leads!"

—**Elissa Jacobs, events manager, Intrepid Sea Air Space Museum**

"I attended the tradeshow last year. We had a great turnout and we are looking forward to another successful one this fall. Thank you!"

—**Gilbert Baeriswil, director of sales, Castle on the Hudson**
